

# Product Overview

## Level

- Radar
- Guided Radar
- Ultrasonic
- Capacitance
- Hydrostatic pressure
- Differential pressure
- Radiometric
- Vibronic
- Conductive
- Servo/Float Tank Gauge
- Float switch
- Paddle switch
- Microwave barrier

## Communication Standards

Hart Protocol

PROFIBUS

FIELDBUS Foundation

MODBUS

## Mechanical Meter

- Water Meter
- Oil Meter
- Fuel Meter
- Density Meter
- Diesel Switch
- Filling Controllers
- Fuel Consumption Monitor
- Heat and Cooling Meter
- Homogenizer
- Energy Calculator
- Electromagnetic Flowmeter
- Ultrasonic Flowmeter
- Viscosity Meter
- Temperature Sensors

## Flow

- Electromagnetic
- Vortex
- Coriolis
- Ultrasonic
- Thermal
- DP Flow
- Flow switch

## Actuators

Multi-turn actuators

Part-turn actuators

Linear actuators

Lever actuators

## Converters

- I/O Systems
- Converters & Interfaces
- Panel mounting units
- Measurement devices
- Photovoltaic components

## Pressure

- Absolute and Gauge
- Differential
- Hydrostatic
- Pressure Switch

## Liquid Analysis

- PH/ORP
- Oxygen
- Turbidity
- Conductivity
- Chlorine
- Multiparameter
- UV-Photometry
- Station
- Colorimetric
- Water Sampler
- Ion-Sensitive
- Spectrometry
- WA-Systems

## Temperature

- Resistor RTD
- Thermocouple TC
- Temperature Transmitter
- Thermometer
- Heavy duty temperature
- Compact and cable probes
- Temperature switch
